The purpose of this addendum is to clarify questions received at the pre-proposal conference meeting held on December 13, 2013. Please see the answers to those questions below:

**RFP#2013-04 Recycling Transporting and Disposal Services
ADDENDUM #1 dated December 20, 2013:**

1. Question: Does Shenandoah County want to receive a rebate on materials collected for recycling?

No; use any return to offset costs for hauling.

2. Question: Does Shenandoah County want the recyclables comingled or separated?

Defined on page 4 #3, Summary Scope of Services

3. Question: Is electricity available at the Town sites and Cedar Creek collection site?

No.

4. Question: Can the offeror use the Consumer Price Index as an inflation factor in their proposals?

Yes; as long as the offeror indicates in their RFP how the inflation factor will be implemented.

Additional comments and information:

- *If the offeror uses Shenandoah County containers, Shenandoah County will be responsible for modification to convert to single stream (comingled) containers.*

- *The Truck schedule provided by Brad Dellinger, Operations Manager, is our current hauling schedule. However, please note page 4 #3 Summary Scope of Services.*
- *The Government Center is included in this RFP and recyclables hauled and is listed on the Truck Schedule provided by Brad Dellinger as County Office.*
- *Budget for Refuse Collection for last three years is attached.*
- *Deadline for the RFP submittal to Shenandoah County is **Tuesday January 21, 2014** at 4:00 P.M.*

All offerors are required to sign below on this page indicating they received Addendum #1 dated December 20, 2013 and accompany Addendum #1 to their REQUEST FOR PROPOSAL – Recycling Transporting and Disposal Services #2013-04.
