### 2. Contents of Bids:

- a. Unless lump sum price is specifically requested, unit and extended prices should also be given. Failure to do so may cause a bid not to be considered. In case of error in extension of prices in the bid, the unit price shall govern.
- b. Bids based on a firm price or those including a "downward escalator" clause may be given preference over lower ones bearing an "escalator" clause.
- c. All bids must be signed in order to be considered. 12. **Bidder Responsibility**

Before submitting a bid, each bidder shall make all investigations and examinations necessary to ascertain all conditions and requirements affecting the full performance of the contract, and to verify any representations made by Shenandoah County that the bidder will rely on. No plea of ignorance of such conditions and requirements resulting from failure to make such investigations and examinations will relieve the successful bidder from its obligation to comply in every detail with all provisions and requirements of the contract documents; nor will it be accepted as a basis for any claim whatsoever for any monetary considerations on the part of the successful bidder.

13. **Opening of Bids:**

- a. All bids received on time shall be opened and publicly read aloud.
- b. Any bidder, upon request, shall be afforded the opportunity to inspect bid records within a reasonable time after the opening of all bids. Bid results indicating the bidder, project and bid amount will be open to public inspection.

- b. The County shall have the right, before awarding the contract, to require a bidder to submit such evidence of his qualifications as it may deem necessary and may consider any evidence available to it concerning the financial, technical, and other qualifications and abilities of a bidder.

If the successful bidder is required to furnish a Performance Bond and a Labor and Material Payment Bond by the invitation to bid, or if the bid is for a construction contract in excess of \$100,000, the successful bidder will be required to furnish a Performance Bond and a Labor and Material Payment Bond in accordance with the requirements of § 2.2-4337 of the Code of Virginia.
