

Shenandoah County
Addendum #1
IFB 2014-03

Pursuant to the Invitation for Bids 2014-03 concerning the acquisition of a 2014 John Deere 850 WT Crawler Dozer the following addendum is issued concerning specification on the dozer blade. Those specifications struck through are eliminated from the contract specifications. The portion not struck through are added to the specifications.

Blade:

- ~~• Dozer to be equipped with a 140" U blade design with replaceable bolt on cutting edges.~~

Dozer to be equipped with a 158" 6-Way PAT blade with replaceable bolt on cutting edges

- ~~• Must have HD cross members to provide lateral support and greaseless shim adjustable clamshell bearings in front and rear push beam joints.~~
