County Actions

CAC Annual Report

The CAC Annual Report serves as both an informational and educational tool for the Board of Supervisors and the general public.

The CAC reviewed the Annual Report slides.

The “Vision Statement” originated in 1990 and was developed by a group of citizens. This Vision Statement has been publicly affirmed twice since 1990.

There was a suggestion that the flow of the Annual Report should follow the Comprehensive Plan Vision Statement.

There was an extensive discussion about the importance of agriculture as a foundation of Shenandoah County’s economy and its future.

The December meeting will focus on reorganizing the CAC Annual Report.

The meeting adjourned @ 6:51 PM.

The next CAC meeting will be: Wednesday December 14th at 5PM

Respectfully submitted:
