Comprehensive Plan Presentation by Lemuel Hancock and Tyler Hinkle

Directors Report

Budget update: November, we will start submitting and preparing for the next fiscal year budget. Possibly looking to replace/add equipment to the WAC, add more part-time employees and a full-time park employee.

RecGuide: Each cycle is getting more and more expensive. We will be doing one more printed one, but may look for different options. Currently exploring options with Winchester Printers to save money.

The new facility (The WAC) Wellness and Activity Center is what we will go by. Currently installing new flooring and paint in certain areas. Making larger offices, new IT and security system. Hoping to open December 1. As of now the 2 doctor offices will remain at the building.

Committee Reports

Rec Center Committee: Keep committee in place to work on the comprehensive plan and possible planning for lot behind The WAC.
