

# Shenandoah County Administrator's Weekly Memorandum

**Weekly Message to the Members of the Board of Supervisors for September 10, 2021**

**Board of Supervisors Regular Meeting:** The Shenandoah County Board of Supervisors will meet on Tuesday, September 14, 2021 at 4:00 pm in the Board Room of the Shenandoah County Government Center.

**Virtual “Dinner” with SVEC:** The Shenandoah Valley Electric Cooperative (SVEC) will host its annual dinner meeting virtually on Thursday, September 16, 2021 at 6:00 pm. Instructions for attending were emailed by Ms. Williams earlier this week.

**GFOA Certificate of Achievement for Excellence in Financial Reporting:** We are pleased to report that the County has received the Government Finance Officers Association (GFOA) Certificate of Achievement for Excellence in Financial Reporting for its comprehensive annual financial report for the fiscal year ended June 30, 2020. The Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting, and its attainment represents a significant accomplishment by the government and its management.

The GFOA established the Certificate Program in 1945 to encourage and assist state and local governments to go beyond the minimum requirements of generally accepted accounting principles to prepare comprehensive annual financial reports that evidence the spirit of transparency and full disclosure and then to recognize individual governments that succeed in achieving that goal. We are proud to have continued to satisfy the high standards of excellence in financial reporting for the last nine years! Many thanks to Ms. Angela Stine, Director of Finance, our Department of Finance staff, and all staff members who contributed to this significant achievement.

**Dominion Energy—Mt. Jackson Line Rebuild Work:** Dominion Energy will be conducting wire pulling activities across I-81 in Mt. Jackson on Sunday, September 12 from 5:30 am to approximately 12:00 pm. Crews will be set up in the Shenandoah Campground. Dominion Energy has coordinated with VDOT and the Virginia State Police to ensure traffic safety.
