#### Directors Report

SCPR is trying to keep going forward and playing by the rules as the different phases allow us to.

All programs came to a halt in March and the first program to start back was the concealed carry class in June.

Softball was also set to start on June 22, but was rained out.

Inmates come back June 25, which we are excited for as they help us out tremendously.

We have worked on extracting a few rocks and trying to get grass planted all the way to Rt. 11.

Park usage is up 50%

County has put all departments on a spending freeze.

Bathrooms by Shelter #1 has been renovated after 20 plus years.

Field #1 retaining wall funds have been froze and not sure when those will become available.

Town of Woodstock has halted on the retention pond project as we have as well.

KidzRec created a program call Emergency Rec that started mid-April and now we are currently back to our regular KidzRec summer program.

Wagoner Park lawsuit was filed incorrectly and the family will have to refile.

SCPR may try to host a fishing derby but not sure at this time.

Keister Park is just sitting there ready for us to move on it.

We will try to offer a few sports camps in phase 2.

Looking to host a movie night at the park.

Punky Riley Golf Tournament will happen on July 17, we are struggling to get sponsorships this year.

We expected to use for punky funds in the coming months. Right now we estimate \$2,000-\$3,000 to be used.

Hoping to host a Bluegrass Festival this fall.

Color Run will happen next year.

We have been issuing a lot of refunds and mostly for trips.

Program budget is struggling but hoping to have it back up in months to come.

Once we get back in the routine with our Rec Guide, we will issue 3 times a year and Winchester Printers has won the printing bid since LSD

Communication has shut down.

Software upgrade has been put on hold and we will get to it when we have funds to do so.
