Remodel of the concession stand is done and we now have hot water! This has been a huge addition as we hosted between 9-12 tournaments this year and plan to host more than that in 2022.

Disc Golf course in 2 months raised \$27,000. We are concreting 54 tee pads. Added Nathan Huges (disc golf guru) to our part-time payroll to help with the disc golf needs. Holes sold in the whole course. Large signage sponsorship by Shenandoah Mutual. Tournaments have been added and tournaments will be available on the website. Also, added a donation for disc golf and field lights on our website.

Finding indoor space is one of our biggest holdups to have our existing programs and any new programs.

Bingo is still going, and we are getting ready to take our first trip since December 2019. We are heading to Vermont.

We are still printing just an E-document of the RecGuide and we will do the same for the Winter/Spring edition. May even send a postcard to every land address and post office. Still up in the air on whether we will go back to printing on paper.

KidzRec still going. Strasburg incidents have been ongoing with Sherriff's office called parents and the parents have been supportive.

Master Indoor/Outdoor Recreation Plan from November 2000. Trying to figure out where to go from here? County may not support a multi-million dollar center, not sure it totally fund itself. Maybe add on extra gym, aquatics and auditorium. Build an addition on at Central at PMMS.

Becky doesn't think that it should be at any school facility. Thinks that we should look at the county farm. Maybe partner with the towns. Building somewhere there is lodging and food. Tim would like for the towns and schools come together with Parks and Recreation.

Try to gather a survey of what the community needs are.

Wagoner Park – meant with a few people about a show barn to have 8 to 10 shows a year for 4-H barn.

### **Old Business**

Fields trips will happen one day 😊

### **New Business**

Email sent to Becky about updating our playground at the county park.

Regulas Group willing to donate \$20,000 to construct a stage late winter.

Need to schedule a meeting where we can discuss CIP budget.

Newly formed pond, where trees and brush has been removed. Jason Smith is who we need to talk to about the pond, water retention grant process by changing location.
